JOHN ELIAS BALDACCI  
GOVERNOR

DAVID A. COLE  
COMMISSIONER

November 2, 2004  
Subject: Searsport  
Project No. HP-8188(01)X  
PIN 8188.01  
**Bid Amendment No. 2**

Dear Sir/Ms.:

Please make the following changes to your bid documents:

Delete page one of the "Schedule of Items" dated 040927 and replace with the attached page one of the "Schedule of Items" dated 041102.

Delete page five of the "Schedule of Items" dated 040927 and replace with the attached page five of the "Schedule of Items" dated 041102.

Delete page seven of the "Schedule of Items" dated 040927 and replace with the attached page seven of the "Schedule of Items" dated 041102.

The Department has received the following Requests for information:

- Q.** Should there be an item on the Bid Form for required Base Gravel or is it incidental to another item?
- R.** Please refer to the new "Schedule of Items" dated 041102.
- Q.** Should there be an item on the Bid Form for the Fiber Optic hands free intercom or is it incidental to the security building?
- R.** The hands free intercom system will be paid for under item 815.301 Security Entrance Building.
- Q.** Is the wiring to be part of the conduit bid items throughout the site?
- R.** Payment for wiring is provided for under item 844.19 Site Lighting and the 607 items for the Chain Link Fence Sliding Gates. All other wiring shall be paid for under item 815.301 Security Entrance Building. Wiring is not included in the conduit bid items, 626.212 and 626.221.

PRINTED ON RECYCLED PAPER

- Q.** Are the Accessory Packs for the pipes fittings paid for by the pound or are they incidental?
- R.** Accessories are considered incidental and will not be measured for payment.
- Q.** What is the thickness of the concrete sidewalks around the security building?
- R.** Sidewalks shall be 4" thick. Refer to MDOT Standard detail 608(01).
- Q.** Can new water system be installed during the winter months?
- R.** No, unless can comply with Special Provision Section 104 - Coordination/Priority of Work.
- Q.** Please provide clarification regarding the Railroad Crossing work. Montreal, Maine and Atlantic (MM&A) has indicated to a subcontractor that MM&A is going to give a price and do the work themselves. If this is true, will MM&A be quoting MDOT or the bidders and when?
- R.** MM&A has decided to do all of the track work associated with the crossing. In order to cover this, the contractor will carry an allowance of \$60,000 to be paid under item 648.5203 and will be reimbursed for all actual cost billed by MM&A for the crossing construction, with no mark ups allowed. MM&A's work will include the removal of the existing rail, the furnishing and installation of all track, ties, OTM (other track material), ballast and the prefabricated rubber grade crossing material. The contractor will still be responsible for all the road work leading up to and in the crossing area, to include all sub base and base material, compaction, drainage, pavement, pavement markings, signs and the coordination of work activities with the Railroad and the Terminal Operator to be paid under item 648.5204.

Consider these changes and information prior to submitting your bid on November 3, 2004.

Sincerely,

A handwritten signature in black ink, appearing to read "S. Bickford", followed by the letters "FOR" in a bold, sans-serif font.

Scott Bickford  
Contracts & Specifications Engineer
